WELCOME BACK! We have missed you!

We are open for browsing, checkout, essential computer use, and copying/printing. Help keep our community safe during the COVID-19 pandemic so that the Galesville Public Library can remain open. Thank you!

Follow these BEST PRACTICES.

1. Do not enter the library if you are sick or have recently been exposed to the virus.
2. Maintain six-foot distancing from others not in your immediate family.
3. Wear a face covering to protect others, except children under 2. Forgot yours? We have one for you.
4. Do NOT bring any food or drink into the library.
5. Sanitize your hands when entering the building.
6. Do not linger in the library; try to complete your visit in 20 minutes. Seating is limited.
7. Use computers for essential work only; there is a time limit of 1 hour if others are waiting.
8. If we are at our threshold of 7 people, wait in your vehicle or at least six feet away from our door and any other people not in your family.
9. Only one person (or family) at a time in the aisles between bookshelves.
10. The drinking fountain is not available. We discourage use of the restrooms.

For your safety, the Galesville Public Library is following these BEST PRACTICES.

1. All of us on staff will monitor our health closely and will not report to work if we are sick, have a family member who is sick, or have recently been exposed to the virus.
2. We will wash hands frequently.
3. We will disinfect high-touch areas hourly and public computer stations after each use.
4. We will continue to quarantine items returned to the library, and items sent here to fulfill holds, for at least 72 hours.
5. We will wear face coverings to protect you.
6. We will be able to help you on the computer via remote software, but not in person.
7. There are plexiglass barriers at each circulation desk.
