They will share low-cost and time-saving program ideas for ages birth through teen.

With multiple demonstrations throughout the day, you will leave this workshop with an abundance of program possibilities. Let us do the planning for you. There will also be a Pinterest page showing all of the great activities and even more ideas. Come ready to engage, create, and have fun!

We'll order lunch in (or bring your own) so you can eat and discuss your favorite program or activity in your library. And, feel free to bring your own paper and use LPL's Ellison machine: we will set it up in the Trustee Room.**

1:15-2:15: **Space for Summer Sanity:** Discover some best practices to deal with the seasonal rush, create displays, and keep your cool all summer long!
