Due to 100% reimbursement for non-resident usage, Libraries in Trempealeau County have been able to:

- Host author visits such as Chad Lewis and Nickolas Butler in Strum
- Develop and circulate writing and coding kits in Strum
- Purchase new computers
- Attendance at state library conferences
- Digitization of microfilm collection and online hosting of Blair Press archives
- Purchase robotic kits and tablets in Blair
- Hire extra staff to give the Director more flexibility in programming
- Replace and update children's nonfiction books in Arcadia
- Added three more open hours in Galesville
- Increased spending for collection development
- 3 Libraries in the County recently went fine free for overdue materials
- Host young adult author visits in Osseo
- Host additional book clubs
- Purchase extra tables and chairs in gathering area for homeschool families
- Upgrade library security measures with cameras and quick response call system
- Provide increased outreach to AfterCare programs at the G-E-T School District and establish new ventures such as Storytime at the Trempealeau Municipal Pool
