**Send in examples** of the genealogy questions you have received from patrons, to Marcia Sarnowski at WRLS, **by February 9**. These will be shared with Megan so she can address them in her presentation.

We will bring the WRLS laptops, and you may bring your own.

**If you wish, participate in the practice exercises:** bring along the name, date [preferably pre -1930], and location [if known] of one of your ancestors, and do some searching yourself.

**12:00pm Lunch - on your own (a list of local restaurants will be provided)**

**1:15- 2:00pm:** Hands-on practice time to do some searches on the computer, and to browse through the print resources on display.
